What is Dream Day on Cape Cod?

Dream Day on Cape Cod is a non-profit organization based in Brewster, Massachusetts, dedicated to bringing a ray of sunshine into the lives of seriously ill children and their families. For 26 years, Dream Day has helped over a thousand of these families disconnect from the daily struggles of hospital and doctors' visits and round-the clock care to reconnect with one another and to connect with others who understand and accept what they have been going through at its Camp Nan-Ke-Rafe, a 32-acre facility located adjacent to Nickerson State Park.

Our goal is to help children face life-threatening illnesses by giving them respite from the world of hospitals and treatments, where they enjoy the peace and tranquility of nature, the camaraderie of family and new friends, and the joy of being a child. And, we support the family unit and give them the chance to create loving lasting family memories and enhance the child's overall quality of life.

Dream Day operates camp for eight sessions each summer – hosting eight families at each session at no cost to them. Our daily programming includes traditional types of camp activities such as team sports, arts & crafts, archery, swimming, boating, and campfires as well as field trips to the ocean and many of the popular Cape Cod attractions.

We hope that we can count on your support to make DREAMS come true for our families.
